transponder), a fee of \$20.00 payable via EFTPOS on the day will be required. Riders will be required to have their own transponder mounting bracket which can be mounted permanently on their bike. These can be purchased at the event at a cost of \$10.00 – EFTPOS only.

Fire Extinguishers - All competitors should have a 1 or 2 kg working fire extinguisher within easy access in their pit area.

Wristbands - Wristbands to access the restricted areas will be issued on Saturday at sign on for the rider and their mechanic (must have a valid Crew Licence, or a current Senior National or Senior Restricted licence).

Rider Briefings

The Virtual Riders Briefing will be available on the Team App on Friday PM, and you will be required to acknowledge having read this in your self-scrutineering document before submission.

The mandatory attendance "Track Specific" Riders Briefing will take place at the start gates at 4:15 pm Saturday.

Prior to the commencement of Riders Brief, a minute of silence will be held in honour of Brayden Erbacher. Memorial stickers featuring his race number will also be available at sign on for riders to place on their number plates.

Team and Rider Parking:

Please ensure you follow the times set as per page 1. **Semi-Trailers and Pro Team Trucks Only** (as approved by ProMX) will be allowed in via the main entry point ([refer to venue map](#)) from Friday 12pm and **Rigid Trucks Only** commencing at 3pm. Trucks will be allocated a spot, **do not** park up until advised by ProMX Staff or you may be forced to re-park.

STRICTLY No other competitors/vehicles will be allowed in until Saturday at 8am. You will be instructed where to park in the privateer allocated parking area ([refer to venue map](#)). Please do not take up more room than required and be mindful of other competitors and take directions from our staff or you will be forced to move.

Sunday Competitor Parking: This will be in the spectator carpark; you will be required to show your race wristband to enter.

Sunday Pit Parking Access: Only cars required for pit set up will be allowed to enter the privateer pits and you will require a special wristband to do so (Handed out at sign on). No cars will be allowed to park inside the Truck Parking Area.

Competitor and Team Passes

Series Hard Cards – If you have applied for a Series Hard Card (Season Pass) and did not collect them at Round 1, you can collect from sign on at Round 2 and will be able to use these for the entirety of the 2023 championship.

Round by Round – If you are not a series competitor, passes will be sent to you on the Thursday leading up to event. You will be allocated the number of passes as per your class below. The mobile/email from your Ridernet account will receive the passes. Please ensure this information is current on your profile.

Additional passes – These can be purchased at a special "family and friends" discount rate via Ticketebo prior to the event. [HERE](#)

MX1 & MX2 = 4 passes = 1 rider plus 3 support crew

All other Classes = 3 passes = 1 rider plus 2 support crew

2023 ProMX Round 2 – Appin, NSW – Final Instructions v1

You will require your Hard Card or *Electronic Ticket (Bar Code) for access to the track on Sunday 5th March. (*For digital tickers, it is recommended to screenshot the bar code and save on your phone to prevent potential delays due to any internet connection issues.)

If you have any ticketing questions or issues, please contact info@auspromx.com.au as soon as possible.

Scrutineering - Bikes will be scrutineered by self-scrutineering. Self-scrutineering will be completed on-line and will open **Friday afternoon** before the race meeting. This form must be completed **prior to attending sign on**.

The link to self-scrutineering will be provided alongside the Virtual Rider Briefing Document. Any self-scrutineering completed prior to this being sent, will be removed and will need to be completed again.

Before and throughout the event a Scrutineer will conduct random spot checks, on bikes and riding safety gear.

Engine Sealing – When requested by a ProMX official, competitors must allow access to their machine to have the engine sealed, machines may be sealed at the discretion of the Steward, Clerk of Course or Technical Officer for the purpose of eligibility checks to be completed at a later time or event.

Competitors cannot break this seal without prior authorisation from MA and must be aware that if disassembly and inspection by an MA appointed Technical Officer is to take part at a place other than the racetrack, any or all costs incurred will be at the competitors' expense. Please refer to the Supplementary Regulations for further information.

Sound Testing - If time and weather permits, Sound Testing may be available on **Saturday afternoon between 2 and 4 pm**. It is recommended that if competitors have any concerns regarding the sound level of their machine, they can be tested at this time. The opportunity to ensure your machine complies with sound requirements prior to any competition may prevent a penalty being imposed on race day.
