2025 ProMX National Rider Number Allocation Process
V1 (December 2024)

The following information outlines the process on how to apply for your preferred race number when competing in the 2025 ProMX Championship. In 2025, a competitor may register a one, two or three-digit number. To retain a career number, the rider must have met the minimum requirements as listed in the MoMS during 2024 to reserve their number for 2025*,

- A rider may only register one number per class for 2025,
- If the rider does not compete in a minimum of half of the rounds in 2024, their number may be forfeited for 2025, and they will need to reapply for it.
- All number plates on all machines **MUST** comply with the GCR's and must not contain any decals or advertising other than the required decal available at www.auspromx.com.au/competitor-information/

If any of the following apply to a competitor, they will need to complete a Rider Number Application:

- If the rider is new to the Championship.
- If the rider was inactive in 2024.
- If the rider did not meet the minimum requirements as listed in the MoMS during the Championship in 2024.
- If the rider holds an existing number from 2024 but is electing to change the number for 2025.
- If a rider who finished 1st, 2nd or 3rd in their respective class in the 2024 Championship, and would like to run their finishing number for 2025 (rider must be remaining in the same class).
  The recipient of the 1st, 2nd or 3rd placing can choose not to use number 1, 2 or 3, and can continue to use their preferred number as normal. If unused, the number 1, 2 or 3 plate, or that competitor's preferred number will not be used by any other competitor in that class. Further, their preferred number will be reserved for them for one (1) year.

It is the rider's responsibility to confirm their number was carried over from 2024.
Please check the 2025 ProMX Rider Number Allocation document to ensure this has been completed.
